

Bulk SMS

Quick Facts

- Easily send hundreds to millions of SMS
- Email Send, Web Send and Simple Send available online
- Full two-way messaging (Send and Receive)
- Templates and Calendar Send available
- Full Reporting available online

As the name suggests, Bulk SMS offers you a pure Bulk SMS tool for sending anything from a few hundred to millions of SMS.

SMS can quickly be sent online, or captured in an Excel spreadsheet (containing the cell number and message) and e-mailed or uploaded for immediate sending.

Features include a Calendar option, SMS Templates, a Bulk SMS Inbox for you to view SMS replies, and a range of settings from ZIP file security to "No SMS time zones" for the advanced users. The Bulk SMS product can be accessed from anywhere and requires no installation.

Volumes

A few hundred to a few million a month.

Networks

We send to South African networks as well as all International destinations.
