Send SMS and MMS as easily as you send emails from Microsoft® Outlook!

Messaging Combo allows you to send and receive SMS and send MMS, directly from Microsoft® Outlook!

It includes a Calendar option, and if you are out of the office, you can also have incoming emails forwarded to your cell phone as an SMS, or in the case of long emails, as an MMS.

Meeting reminders can also be sent to your mobile via SMS. Combo is easy to use, intergrates snugly with Microsoft® Outlook 2007 and 2010, and makes use of your current address book.

Please note that Messaging Combo is only compatible with Outlook® 2007 and 2010.

Volumes

Low to medium volumes for interactive messaging.

Networks

We send SMS to both local and International Networks. MMS can only be sent to South African Cell numbers.
