Introduction

SMPP 2 SMS is one of our developers tools which is ideal for those advanced users who would like to connect directly to our SMS Gateway to send SMS.

This Product is suitable for companies intending to send larger volumes and at higher speeds.

SMPP means you are continually connected to our SMS gateway for 24/7 messaging.

SMPP 2 SMS is not available to Vodacom Messaging Prepaid Account holders.

Technical

We support the global SMPP Ver. 3.4. Spec. Support for two-way messaging is standard.

Options

There are two options available of SMPP 2 SMS:

- The standard option is where users connect directly to us and the SMS's are sent using our network binds.
- The second option is where we host / manage your own SMSC binds on our Gateway which are dedicated for you.
